EXPERIENCE

Proper Villains | Senior Designer, 02/17 — Present

Lead designer for a variety of projects including websites and identity systems. Managed projects for various digital developments and print productions, and worked directly with the client on bettering their brand.

WGBH | Associate Designer, 07/15 — 02/17

Production design for PBS broadcasts, including packaging artwork and promotional materials, as well as digital publications for WGBH.

Captains of Industry | Design Intern, 06/14 — 09/14

Three-month internship that involved the creation and refinement of the visual design and layout for presentation materials.

Computer Arts Center, Massart | Lab Monitor, 09/13 — 01/15

Assistant for various print projects, overseeing and troubleshooting a variety of print production technologies and associated software.

Eyewire, Seung Lab, MIT | Design Contractor, 05/13 — 08/14

Overall art direction for a small tech startup associated with MIT. Involved in establishing the brand identity and UX design for a web-based game interface.
